TERMS AND CONDITIONS OF SALE

1. General. The provisions set forth herein are the terms and conditions pursuant to which the Buyer named on the face hereof ("Buyer") will purchase and ANRITSU INFVISC INC. ("Seller") will sell the products listed on the face hereof (the "Products"). These Terms and Conditions shall govern and apply to the sale of the Products to Buyer, regardless of any terms and conditions appearing on any purchase order or other forms submitted by the Buyer to Seller or given verbally by Buyer to Seller which terms and conditions are expressly rejected unless accepted by an authorized signatory of Seller. All orders are subject to acceptance in writing by an authorized representative of Seller.

2. Price. All prices published or quoted may be changed at any time without notice. All prices for the Products will be as specified by Seller or, if no price has been specified or quoted, will be Seller's price in effect at the time of shipment. All prices are subject to adjustment on account of specifications, quantities, shipment arrangements or other terms or conditions which are not part of Seller's original price quotation. Prices for the Products are exclusive of all taxes (including, but not limited to state, local, use, property, ad valorem, and similar taxes) and duties imposed by any governmental authority with respect to the Products covered hereby, all of which taxes and duties must be paid by Buyer.

3. Terms of Payment. Unless otherwise specified in writing, the purchase price for the Products, all taxes, and all other charges and expenses incurred by Seller at the request of Buyer, shall be paid in full at the time of delivery, in US dollars. Delays in delivery shall not extend terms of payment. If Buyer fails to pay any amount when due, Buyer shall pay Seller interest thereon at a periodic rate of one and one-half percent (1.5%) per month (or, if lower, the highest rate permitted by law), together with all costs and expenses (including without limitation reasonable attorneys' fees and disbursements and court costs) incurred by Seller in collecting such overdue amounts or otherwise enforcing Seller's rights hereunder. Seller reserves the right to require from Buyer full or partial payment in advance, or other security satisfactory to Seller, at any time that Seller believes in good faith that Buyer's financial condition does not justify the terms of payment specified. Seller reserves the right to revoke any credit extended to Buyer because of Buyer's failure to pay for any goods when due or for any reason deemed to be good and sufficient by Seller.

4. Delivery; Cancellation or Changes by Buyer; Cancellation Fees. Unless otherwise agreed in writing, Products will be shipped FCA the U.S. port or airport specified by Buyer. Seller shall have the right, at its election, to make partial shipments of the Products and to invoice each shipment separately. The Products shall be insured in transit at the expense of Buyer. Seller reserves the right to stop delivery of Products in transit and to withhold shipments in whole or in part if Buyer fails to make any payment to Seller when due or otherwise fails to perform its obligations hereunder. All shipping dates are approximate only, and Seller shall not be liable for any loss or damage resulting from any delay in delivery or failure to deliver which is due to any cause beyond Seller's reasonable control. In the event of a delay due to any cause beyond Seller's reasonable control, Seller reserves the right to terminate the order or to reschedule the shipment within a reasonable period of time, and Buyer shall not be entitled to refuse delivery or otherwise be relieved of any obligations as the result of such delay. Products as to which delivery is delayed due to any cause within Buyer's control may be placed in storage by Seller at Buyer's risk and expense and for Buyer's account. Orders in process for catalog products may be canceled only with Seller's written consent and upon payment of a restocking fee equal to 25% of the purchase price on the Customer's Purchase Order. Orders for customized products are non-cancellable Orders in process may not be changed except with Seller's written consent and upon agreement of the parties as to an appropriate adjustment in the purchase price therefor. Credit shall not be allowed for Products returned without the prior written consent of Seller.

5. Title and Risk of Loss. Subject to the provisions of Section 6 below and to Seller's right to stop delivery of Products in transit, title to and risk of loss of the Products will pass to Buyer at the FCA point; provided, however, title to software shall be subject to Section 10

below. Any claims for damage to, or loss or misdelivery of, the Products will be filed directly with the carrier by Buyer. Notwithstanding the provisions contained in these Terms and Conditions to the contrary, Seller shall not be responsible or liable for any loss or damage whatsoever, including loss of income and/or profits, incidental, special or consequential damages resulting from Seller's delayed performance in shipping or delivery of the Products for any reason whatsoever. All freight charges are stated on Seller's invoices and are part of the Seller's payment terms.

6. Security Interest. To secure any indebtedness due and owing from Buyer from time to time, Buyer hereby grants to Seller a continuing purchase money security interest in any and all of Seller's Products heretofore or hereafter sold or delivered to Buyer by Seller, and all related parts, components and accessories therefor, and all proceeds arising from the sale or other disposition of the foregoing, including, but not limited to, cash, accounts, contract rights, accounts receivable, instruments and chattel paper. Buyer shall at no time grant any security interest in conflict with that granted to Seller herein. Buyer authorizes Seller to file, and ratifies the filing of, any financing statements necessary to evidence and perfect Seller's security interest as described above.

7. Warranty. Seller warrants that the Products sold hereunder will be free from defects in material and workmanship when subjected to normal, proper and intended usage by properly trained personnel, for the following periods:

- For the first 90 days following delivery to Buyer, Seller shall provide full and complete warranty coverage for all parts and technical service & support, including technical personnel travel and expenses for all Products.
- After the expiration of the 90-day period mentioned above, Seller's warranty no longer covers the cost of technical personnel travel time and expenses; only on-site technical personnel time is provided to Buyer.
- All products including Checkweighers, Metal Detectors, X-ray, Rejects and Combination Systems (Combined Checkweigher & Metal Detector) carry a one (1) year warranty from the date of equipment delivery to Buyer. X-ray Tanks and Detectors are not included – see table below for their specific warranties.

XR75 (100W, 150W)	2 years	2 years

- Wear items are not part of any warranty period.

These time frames above are collectively known as the "Warranty Period". Seller agrees during the Warranty Period, provided it is promptly notified in writing upon the discovery of any defect and further provided that all costs of returning the defective Products to Seller are pre-paid by Buyer, to repair or replace, at Seller's option, defective Products so as to cause the same to operate in substantial conformance with said specifications. Replacement parts may be new or refurbished, at the election of Seller. All replaced parts shall become the property of Seller. Shipment to Buyer of repaired or replacement Products shall be made in accordance with the provisions of Section 5 above.

Lamps, fuses, bulbs and other expendable items are expressly excluded from the warranty under this Section 7. Seller's sole liability with respect to equipment, materials, parts or software furnished to

Seller by third party suppliers shall be limited to the assignment by Seller to Buyer of any such third party supplier's warranty; to the extent the same is assignable. In no event shall Seller have any obligation to make repairs, replacements or corrections required, in whole or in part, as the result of (i) normal wear and tear, (ii) accident, disaster or event of force majeure, (iii) misuse, fault or negligence of or by Buyer, (iv) use of the Products in a manner for which they were not designed, (v) causes external to the Products such as, but not limited to, power failure or electrical power surges, (vi) improper storage of the Products or (vii) use of the Products in combination with equipment or software not supplied by Seller. If Seller determines that Products for which Buyer has requested warranty services are not covered by the warranty hereunder, Buyer shall pay or reimburse Seller for all costs of investigating and responding to such request at Seller's then prevailing time and materials rates. If Seller provides repair services or replacement parts that are not covered by the warranty provided in this Section 7, Buyer shall pay Seller therefor at Seller's then prevailing time and materials rates. ANY INSTALLATION, MAINTENANCE, REPAIR, SERVICE, RELOCATION OR ALTERATION TO OR OF, OR OTHER TAMPERING WITH, THE PRODUCTS PERFORMED BY ANY PERSON OR ENTITY OTHER THAN SELLER WITHOUT SELLER'S PRIOR WRITTEN APPROVAL, OR ANY USE OF REPLACEMENT PARTS NOT SUPPLIED BY SELLER, SHALL IMMEDIATELY VOID AND CANCEL ALL WARRANTIES WITH RESPECT TO THE AFFECTED PRODUCTS. THE OBLIGATIONS CREATED BY THIS SECTION TO REPAIR OR REPLACE A DEFECTIVE PRODUCT SHALL BE THE SOLE REMEDY OF BUYER IN THE EVENT OF A DEFECTIVE PART. EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 7, SELLER'S WARRANTY HEREIN IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES OF SELLER AND THE MANUFACTURER OF THE PRODUCTS (COLLECTIVELY, "MANUFACTURING AND SELLING PARTIES") AND SELLER DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCTS, STATUTORY OR OTHERWISE CREATED UNDER APPLICABLE LAW, INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. SELLER DOES NOT WARRANT THAT THE PRODUCTS ARE ERROR-FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

8. Patent Infringement. Seller's liability for patent infringement (and the liability of the Manufacturing and Selling Parties) is limited to Seller's defense of any suit or proceeding brought against Buyer based on a claim that the Products sold hereunder, when employed in the manner intended by Seller, constitutes an infringement of any patent of the United States. If Buyer's use of the Products in the manner intended by Seller is finally enjoined, Seller shall, at its option, procure for Buyer the right to continue using the Products, replace the same with non-infringing Products, modify the Products so that they become non-infringing, but equivalent to the Products sold hereunder, or refund the purchase price (less allowance for use, damage or obsolescence). Seller makes no warranty against patent infringement resulting from portions of the Products made to Buyer's specifications or the use of Products in combination with any other Products or in the practice of any process and if a claim, suit or action against the Manufacturing or Selling Parties is based thereon, Buyer shall defend, indemnify and save Seller and the Manufacturing and Selling Parties harmless from and against any and all claims, losses or damages arising therefrom.

all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees and disbursements and court costs) to the extent arising from or in connection with (i) the negligence or willful misconduct of Buyer, its agents, employees, representatives or contractors; (ii) use of a Product in combination with equipment or software not supplied by Seller where the Product itself would not be infringing; (iii) Seller's compliance with designs, specifications or instructions supplied to Seller by Buyer; (iv) use of a Product in an application or environment for which it was not designed; or (v) modifications of a Product by anyone other than Seller without Seller's prior written approval.

10. Software. Seller and Buyer intend and agree that such software products incorporated in or forming a part of the Products are being licensed and not sold, and that the words "purchase", "sell" or similar or derivative words are understood and agreed to mean "license", and that the word "Buyer" or similar or derivative words are understood and agreed to mean "licensee". Buyer agrees to hold in confidence the software products and related documentation supplied hereunder and not to disclose or make available in any form the same, except to Seller's and Buyer's employees and agents. Seller may terminate this license if Buyer fails to comply with any term or condition herein. Buyer will, upon termination of this license, immediately return to Seller all software products and related documentation provided hereunder and all copies thereof. Certain of the software products provided by Seller may be owned by one or more third parties and licensed to Seller.
