These Terms and Conditions shall govern and apply to the sale of the Products to Buyer, regardless of any terms and conditions appearing on any purchase order or other forms submitted by the Buyer to Seller or given verbally by Buyer to Seller. All orders are subject to acceptance in writing by an authorized representative of Seller.

2. Price. All prices published or quoted may be changed at any time without notice. All prices for the Products will be as specified by Seller or, if no price has been specified or quoted, will be Seller's price in effect at the time of shipment. All prices are subject to adjustment on account of specifications, quantities, shipment arrangements or other terms or conditions which are not part of Seller's original price quotation. Prices for the Products are exclusive of all taxes and duties imposed by any governmental authority with respect to the Products covered hereby, all of which taxes and duties must be paid by Buyer.

3. Terms of Payment. Unless otherwise specified in writing, the purchase price for the Products, all taxes, and all other charges and expenses incurred by Seller at the request of Buyer, shall be paid in full at the time of delivery, in US dollars. Delays in delivery shall not extend terms of payment. If Buyer fails to pay any amount when due, Buyer shall pay Seller interest thereon at a periodic rate of one and one-half percent (1.5%) per month (or, if lower, the highest rate permitted by law), together with all costs and expenses (including without limitation reasonable attorneys' fees and disbursements and court costs) incurred by Seller in collecting such overdue amounts or otherwise enforcing Seller's rights hereunder. Seller reserves the right to require from Buyer full or partial payment in advance, or other security satisfactory to Seller, at any time that Seller believes in good faith that Buyer's financial condition does not justify the terms of payment specified. Seller reserves the right to revoke any credit extended to Buyer because of Buyer's failure to pay for any goods when due or for any reason deemed to be good and sufficient by Seller.

4. Delivery; Cancellation or Changes by Buyer. Unless otherwise agreed in writing, Products will be shipped FCA the port or airport specified by Buyer. Seller shall have the right, at its election, to make partial shipments of the Products and to invoice each shipment separately. The Products shall be insured in transit at the expense of Buyer. In the event of a delay due to any cause beyond Seller's reasonable control, Seller reserves the right to terminate the order or to reschedule the shipment within a reasonable period of time, and Buyer shall not be entitled to refuse delivery or otherwise be relieved of any obligations as the result of such delay. Products as to which delivery is delayed due to any cause within Buyer's control may be placed in storage by Seller at Buyer's risk and expense and for Buyer's account. Orders in process may be canceled only with Seller's written consent and upon payment of Seller's cancellation charges.
